Jaycee Final Organization Meeting Next Tuesday

BANQUET WILL HONOR GULF COAST CHAMPIONS

Bay High's championship football squad, recent winners of the coveted Gulf Coast Conference Championship trophy, and the cheerleaders for the school's gold and blue will be honored at a football banquet this Monday night, December 21, at the Markham Hotel in Gulfport. The group, including the team's coaches and other guests, will gather at the Gulfport hotel at 8:00 P. M. to enjoy the dinner which is being planned for them by the Bay St. Louis Board of Trustees and Superintendent of City Schools J. D. McCulloch. The banquet is also open to the public and parents, teachers, patrons of the school, and other interested persons are invited to attend. The price of the meal will be \$2.85 per plate. Reservations can be made as late as Friday afternoon, December 18, by calling the high school HO-7-6621 or HO-7-5143. Superintendent McCulloch has announced that transportation will be provided from the high school to the hotel, and back to Bay St. Louis when the evening's entertainment is completed. The bus leaving the school will depart at 7:30 P. M.

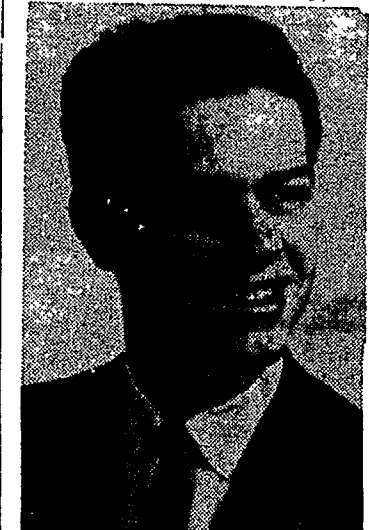

SAFETY COMMITTEE AWAITING ACTION ON LIGHT INSTALLATION

The Safety Committee of the Hancock County Chamber of Commerce is awaiting action by the County Board of Supervisors on the installation of a blinker signal light at the intersection of the Old Spanish Trail and Nicholson Avenue, several miles west of Bay St. Louis. In a letter dated November 9, 1959, to the Board of Supervisors, Mrs. Mabel Green, Secretary-Manager of the Chamber of Commerce called to the attention of the Supervisors the number of fatalities that have in the past occurred at this intersection. In one such accident in 1958 seven Negroes were killed in a two car collision. A. C. Mitchell, Clerk of the Board of Supervisors, stated Tuesday afternoon that Mrs. Green's letter had been received and read by the Board but no immediate action was taken. Mr. Mitchell further stated that the Board of Supervisors would meet again Monday, December 21, 1959 and it was expected that the Board would again consider the matter. It was through the efforts of the local Chamber of Commerce's Safety Committee that the State Highway Department installed a traffic light at the intersection of Main Street and Highway 90, and a blinker light at the intersection of Kiln Road and Highway 90. The Safety Committee of the Hancock County Chamber of Commerce is under the Chairmanship of Fred Quint. Rev. Charles R. Johnson is co-chairman.

The final organizational meeting of the new Bay St. Louis Junior Chamber of Commerce will be held in the Youth Center on Tuesday, December 22, at 8 P. M. The major business item will be the election of Jaycee officers who will serve until April 1960. Other business scheduled is setting of a dues rate, final approval of a constitution, final arrangements for affiliation with the state and United States Junior Chambers of Commerce, and a review of plans for a Christmas night banquet. Mike Hays, temporary chairman for the Jaycee local, reports that over 30 men have already been enrolled and that at least 15 more are expected to join the group at the December 22 meeting. All men enrolled prior to Christmas night are entitled to special charter membership. Those interested men to contact him by phoning HO-7-5797 or attending next week's meeting. At the organizational meeting held in the Courthouse Tuesday evening, the group was honored by the presence of several prominent international, national and local leaders of the world-wide Jaycee movement. The group was welcomed by the Mayor of the City of Bay St. Louis, John A. Seaford. Antonio Meer, national Junior Chamber of Commerce president in the Philippines and vice president of the Junior Chamber of Commerce International (J. C. I.) in charge of Asia, explained the operation, scope and purpose of the international organization. Mr. Meer has recently returned from the J. C. I. World Congress which was held in Rio de Janeiro. Other distinguished visitors included Lavon Hegler, Pascagoula, National Director for Mississippi, John Paxton, Biloxi, State Area Vice President, Eddie Lundford, President Jaycees, Jim Brishery, President, Biloxi Jaycees, Robert Daniels, Jr. Past President, Gulfport Jaycees and Tom Logan, Hancock County General Hospital, Administrator, former president, Mendon Jaycees. Each discussed his phase of the Jaycee operation. A constitutional committee was appointed which consisted of Gerald Gex, chairman, Joseph Kern, David Treutle, Andre Arceneaux and E. J. Marengo. This group will meet Thursday night and have the constitution and by-laws ready for approval at the next meeting. Charles Thomas was appointed temporary secretary. Other business included unanimous approval of the name "Bay Saint Louis Junior Chamber of Commerce" with membership open to the general community, and a commendation by the group of the local newspapers for their coverage of the proposed Jaycee organization. lucky enough to have two great teams working for us—you and your colleagues—and Him and His. Keith is presently a student at the School of Theology, Emory University.

KEITH TONKEL RECENTLY COMPLETED HIS FIRST BOOK

Keith Tonkel has recently completed his first book, "Finally The Dawn." The book, written after his first series of operation, tells the story of three young men of God, John, Keith, and Lacey, who

hitch-hiked through the United States, Canada, and Great Britain for the purpose of learning and sharing. "Finally The Dawn" is conceived in faith and dedicated to the proposition that all men are created with the capacity to love one another. The story deals with all kind of people. It tells about the good side of man with minimum emphasis on his sickness, sin and sex. Keith son of Mr. and Mrs. Denie Tonkel, former Bay St. Louis, was born in New Orleans La., January 15, 1936. He attended Bay St. Louis High School and was a member of the 1954 graduating class. He received many awards in oratorical contests while in High School and during his four years in College. He was graduated from Millsaps College, Jackson, Miss., in June, 1958. Keith who was found to have cancer following his graduation from Millsaps, was an inspiration to numberless persons as he courageously struggled with his ailment. He said recently from the pulpit "My faith and love for God have never been stronger." Medically almost a year ago, his condition was not too bright, but today his doctors are both pleased and amazed at his progress. When told by a doctor-friend a few months ago, "Why you're as healthy as I am," he replied, "Of course, Doc. You see we're

Dr. C. H. Gray, Pascagoula, president of the Fifth District Dental Society, is shown presenting Dr. J. A. Evans a gift at a dinner honoring him for over 50 years of practice of general dentistry.

DR. JAMES A. EVANS HONORED AT DINNER TUESDAY NIGHT

Dr. James A. Evans was honored for over 50 years of practice of general dentistry by the Fifth District Dental Society at a dinner Thursday night at the Sun-N-Sand Restaurant.

Dr. C. H. Gray, Pascagoula, president of the society presented Dr. Evans an engraved desk set in honor of the event and praised him for his outstanding contribution to dentistry throughout the years and for his help to fellow dentists in the treatment of dental disease.

Dr. Evans, a former president of the Coast Dental Society and Mississippi Dental Association, has also been president of the local Rotary Club and a worshipful master of the Masonic Lodge in this city.

He has served as a steward of the Methodist Church for 45 years and superintendent of the Sunday School for 18 years.

Dr. Evans a graduate from New Orleans College of Dentistry, has practiced dentistry in Bay St. Louis since 1905.

He expressed his appreciation for the honor accorded him and spoke of the changes that have taken place in his lifetime in conquering dental disease.

Election of officers of the society was also held at the meeting. Dr. Guy Lewis, Gulfport, was elected president; Dr. Troy Sheffield, Gulfport, vice-president and Dr. O. J. Mollere, Waveland, secretary-treasurer.

Former County Official Expires

George Leonard Cuevas, 68, a native of Sellers, Miss., died Sunday, at 1 A. M. at his residence, 305 Citizen Street.

Mr. Cuevas, son of Catherine Cuevas and the late Roman Cuevas, served four terms as Tax Assessor of Hancock County. Other than his mother he is survived by his wife, Mrs. Ella Favre Cuevas, Bay St. Louis; and a son, Rene C. Cuevas, of Las Vegas, Nev. He was the brother of Franklin J. Frances and O. John Cuevas; Mrs. Arzomine Cross and Mrs. Nettie Jones, all of Gulfport; Mrs. Nola Nellums, Picayune and Mrs. Noleen Ladner of Poplarville. Survivors also include two grandchildren.

Funeral services were held from Fahey-Whitfield Funeral Home Monday afternoon at 3 o'clock with Masonic rites conducted by Jesse W. Gray, at the graveside. Interment was in Gardens of Memory Cemetery.

Palbearers were James O. Normand, Arthur Christy, Tom Thum, Clarence Batey, T. P. Clapp and Earl Sones.

Personal Injury And Property Damage Result Of Automobile Accident

Personal injury and property damage was sustained Sunday in a traffic accident on U. S. Highway 90 seven miles west of Bay St. Louis.

State Patrolman K. V. Allen said the accident occurred when a pickup truck, driven by John L. Tankersley, New Orleans, slowed to avoid hitting a flock of ducks on the highway. The truck was struck in the rear by a station wagon driven by Frank G. Rasputnik, of Houston, Texas.

Frank Rasputnik suffered lacerations of lips and loss of teeth; Carmen Rasputnik, laceration of scalp, contusion of leg; Randolph Rasputnik forehead contusion, and Tankersley, scalp laceration. They were all treated at Hancock County Hospital and released.

Both vehicles were traveling east on Highway 90 when the accident occurred at 9:08 A. M. Sunday.

entertained by Miss Barbara Shippey, who at present is majoring in child psychology and education. Miss Shippey has prepared an excellent program for the children. Santa Claus will distribute toys, stuffed stockings and goodies. Parents are asked to have their children at the hall promptly at 2 p. m.

Mr. and Mrs. Harold Hicks have had the pleasure of meeting and entertaining their very dear friends, Senor and Senora Valera, and their family, who have been in the city for some time. The Hicks family and their friends had a very happy time together for the first time in many years. The Hicks family is now living in the city and is very happy to have the Valera family here.

HELP A DESERVING PERSON...

Would you like to do your Boy Scout deed for today? Would you like to help make Christmas a happier time for some unfortunate person? Would you like to help a very deserving young man who has had NOT ONE but a series of misfortunes?

If so, you have that chance now. There will be a benefit shooting match, at Mr. Arthur Miller's home, on Highway 90, on Sunday, 20th, at one o'clock in the afternoon. The donation will be \$1.00 or more, if you feel you can spare more.

This benefit shooting match is being given for Donald Stephens, who formerly operated Truck Town Stop, and who, while he was able, gave generously to any needy person who approached him.

Donald came to Hancock County several years ago, after suffering a severe stroke, that paralyzed half his body, but worked hard. While working one day a tire he was repairing exploded and broke his only useful hand and arm. He then sold his business and began selling life insurance, and was just beginning to make good, when he suffered another stroke and is now in the Veterans' Hospital in New Orleans (for how long, no one knows).

This benefit is being staged without the knowledge of Donald or his wife, so if you wish to contribute, contact Mr. Delbert Wilcox at Wilcox Appliance Company in Waveland. We feel sure that your Christmas will seem much happier, because you have helped to make someone less fortunate than yourself happy.

WHEN A JOKE IS NOT A JOKE...

The self-styled practical joker who telephoned our office and placed a classified advertisement in last week's paper, offering four Sugar Bowl tickets for sale and giving the telephone number of a local business man should not feel too proud of himself, because this is not our idea of a practical joke. Neither did the businessman whose phone rang continuously, regard it as a joke. He received scores of calls from local residents, as well as many from out-of-town, until it actually became a nuisance.

We certainly did not see the humor in this so-called joke and hope that it does not happen again, because if the person who did it is found out he will be prosecuted by the law.

There are some excellent tips to cut down on tree hazards during the holidays. When buying the tree early, keep it in a cold spot (unheated garage) until ready to set it up. Before setting up the tree, saw off about an inch of the trunk. The old cut is sap sealed and prevents water absorption. Keep the tree away from radiators or other sources of heat. Use a water-containing holder to keep it fresh and lessen danger of fire. Lighted candles should not be used near evergreens, other flammable decorations or curtains.

FORESTRY CONTEST ANNOUNCED

The annual Adult Forestry Contests sponsored by the Mississippi Forestry Association and the Sears-Roebuck Foundation is now underway for 1946, according to Joe Zary, Hattiesburg, contest coordinator for the southeast district.

Counties in the southeast district include Jeff Davis, Covington, Jones, Wayne, Marion, Lamar, Forrest, Perry, Greene, Pearl River, Stone, George, Hancock, Harrison, and Jackson.

According to Zary the contest is actually a 5-acre improvement project designed for adult timberland owners and operators. Tree planting, protection, timberland improvement, proper harvesting, and use of products are among major practices for which contest points are given. In addition, bonus points may be gained by showing the contest plot to others and inviting them to enter the contest, keeping accurate records, and erecting the contest sign on the plot.

Zary pointed out that up to 20 points per acre can be gained through tree planting alone. He said that there are still plenty of seedlings available to contestants from the Mississippi Forestry Association. Seedling applications are available from the Commission's local area forester and other agricultural and forestry workers. Applications may also be obtained by writing directly to the Miss. Forestry Commission, State Of New Building, Jackson, Miss.

Zary said that contest folders, containing all the necessary information, applications, and record books, are available from the Commission.

U. S. Sen. Hubert Humphrey of Minnesota said he is "definitely" opposed to the use of public funds for promoting birth control information because birth control violates basic religious beliefs of many Americans. The use of private funds, he contended, would be a different matter.

Gov. G. Mennen Williams of Michigan asserted there is no need for government participation in a birth campaign in this country. He said he was not acquainted with the situation in other countries and therefore could not comment regarding them.

effect stillbirth implants have on sale price of this class of cattle.

"Stillbirth implants at the rate of 24 milligrams per head are recommended for grazing cattle which are to be sold for slaughter. Over dosage in most cases will be more harmful than beneficial. Cattle which have been implanted on grass and are to be grain-fed should be reimplanted at the beginning of the feeding period. A longer feeding period will probably be required for reimplanted animals."

given stillbirth implants but the advantage may be lost when the animals go to the feedlot. This is the implication from recent tests at the Brown Loam Branch Station near Raymond, Miss.

Based on a one-year test, however, Superintendent E. G. Morrison reports:

"Regardless of feedlot treatment, steers which received no stillbirth while on pasture consistently produced greater, more efficient feedlot gains than those implanted on pasture."

"At present stillbirth should be used at one's own risk in animals which are to be sold off grass in the spring as replacement cattle. More information is needed on the

STATEMENT BY STEEL COMPANIES COMMITTEE
In an effort to reach a voluntary settlement with the Steelworkers Union through collective bargaining, the Steel Companies have offered increased wages and benefits worth \$1081 to the average steel worker over the period of a three year strike-free agreement.

They have proposed a practical and reasonable way to settle the difficult local working conditions dispute.

Of the contract changes originally sought by the Companies, all except those generally relating to local working conditions, wildcat strikes and scheduling have now been dropped, and even those proposals have been substantially modified in an effort to meet the Union's objections.

Thus the Steel Companies have made every effort to reach a non-inflationary agreement through voluntary collective bargaining.

They know that the outcome of their negotiations with the Steelworkers Union is of vital interest to everyone... that it can affect the value of everyone's dollar, everyone's standard of living and everyone's future security.

They know that American industry must be able to compete at all times with the growing economic challenge from abroad.

They realize the heavy responsibility that rests upon them in these negotiations and they have sought to meet this responsibility fairly and fully.

They believe that the offer they have presented accomplishes this purpose. They believe that if the Union officials had shown the same flexibility, the same willingness to bargain and the same sense of responsibility, an agreement would have long since been reached.

"STAY ALERT AND ALIVE" ADVICE GIVEN TO NEW SHERIFFS
University, Miss. — "Stay alert and stay alive," was the advice given to Mississippi sheriffs-elect by Bill Harpole, superintendent of the State Penitentiary at Parchman.

Speaking before the new lawmen meeting at Old Miss to study all aspects of their jobs, Mr. Harpole cautioned them to be constantly on guard when transporting prisoners because "a desperate man will take any way out."

Mr. Harpole discussed the state prison and its organization and invited the sheriffs to visit at any time. Unlike most states, Mississippi has no state penitentiary.

Parchman, however, is unique in other respects. It is largely self supporting through its prison farms. It has gained nationwide recognition through its family visitation plan which allows certain days for families to spend along with the prisoners.

As a result the men do not feel that they have been forgotten by society and their families, and have a strong motivation for keeping out of trouble when they are released, Mr. Harpole said.

A number of other lawmen from Mississippi were present, including Sheriff-elect, Mr. Harpole said.

What Better Christmas Present, Than Good Start On College Education

What better Christmas present could parents give their children than a good financial start on a college education?

One such gift that will grow with the child could be pine seedlings planted on some of the family's idle and now unproductive land. An acre of trees planted for a new born infant should produce about 18 cords of pulpwood by age 18. At today's prices this might well be a value of \$90. Supposing also that \$5,000 is the cost of a college education, it follows that 55 acres thus planted could provide that college education for your child.

The computations above cannot be applied directly to specific tracts exactly as outlined because conditions such as the kind of soil, its topography, its location, the species of trees, etc., vary so much. They may serve as a guide to you.

The point is that a landowner can make money growing trees—money which retains its relative value with other items in the economy as the years pass. It's good business to reforest your idle land, good for you personally as a landowner in search of an income producer, and good for the State of Mississippi, which is port expanding industry.

Your local Mississippi Forestry Commission Area Forester, Mr. Marion Parker at Bay St. Louis, Telephone HO-7-4631—4811, P. O. Box 112, stands ready to help you determine the suitability of your land for planting and to render such advice as you may need in getting you started in tree planting. He, along with the other County Agricultural workers, has ree seedling application blanks and the Forestry Commission has plenty of slash and loblolly pine seedlings. Each landowner is entitled to 1000 free tree seedlings and to purchase unlimited quantities at \$4.50 per thousand. A nominal 25c per thousand transportation charge is made on all orders.

cludes cleanup and redent campaigns. Individual clubs encourage regular dental and physical checkups for members. Many 4-H youngsters receive expert first aid training, then give expert demonstrations themselves to local groups. These health-minded girls and boys also learn the importance of proper daily diet in keeping strong bodies and sound minds.

STATEWIDE QUAIL SEASON FROM DECEMBER 18TH THROUGH FEBRUARY 10TH.

The two most important months of the hunting season for thousands of Mississippians is getting underway with Mississippi's statewide quail season running from December 18th through February 10th, 1950. The bag and possession limit remains the same: eight per day, sixteen in possession. All counts show that the number and size of coveys are larger this year than last. The early cold weather with heavy frosts and hard freezes has killed down the heavy vegetation, making hunting conditions more favorable for both dog and man.

Perfect weather, water good, no fish was the order over the week end. Fishermen were feeling using bait and trying everything. But the fish would not cooperate!

According to hunters ducks and geese were not around, said August Raxner and Raoul Telhard who were out after 'em. August said the geese must be getting smart, they land and take off just like a helicopter. He said he remembers when there were so many that they had to back up to take off!

Lake Elliott and son, Chipper, Larry Larroux and Yours Truly fished all day Saturday and Sunday fly fishing and with shrimp and hardly caught enough for a meal.

No report from hunters—didn't hear of any good kills—was up the river all day and didn't see a duck! Maybe they'll be here later?

Pierre Quintini and E. J. Marango were fishing up Pearl River Saturday. Don't know what they did.

The report that Frank Trapani had some Sugar Bowl tickets for sale must have been a practical joke of one of his friends. Keep him and Mr. Jennie busy answering the phone. Wasn't so funny, partner!

Big plans are underway for the Xmas holidays, fishing, hunting, golfing, etc., as well as taking care of the kiddies! It's a happy time of the year. Wish Santa would bring some fish and game this way!

Had a Christmas card from our old friend Harold Bates from New York. He says he wishes he was down our way. Merry Christmas to all he says!

Sorry to hear of the death of Mr. Arthur (Archie) Surcouf, Sr., another of our old friends who passed away last week.

A big time is in store for the kids at the American Legion Xmas party, December 24th. The boys of the Legion and Mr. and Mrs. Joseph Scalfidi do a good job making the kids happy.

The Turkey Shoot sponsored by the National Guard Unit, Sunday, Dec. 20, will give the boys a chance to fire the old shooting iron as well as help a worthy cause.
